

Allure

1.5" Courtesy

- Water tight - excellent for wet/damp locations
- Long life span - 50,000+ hours
- No visible fasteners
- Ideal for Marine applications or accent lighting
- Low amp draw
- Available colors: blue and warm white
- Low profile
- Operating voltage - 12V
- Bezel available in black and chrome

Product Details:			
Diameter	1.5"	CCT	White (5700K) / blue
Depth	7/8"	IP rating	IP66
Number of leds	1 (2835)	Wire size	18 AWG
*Current draw	20mA	Operating Voltage	10.8 - 13.8V
Cutout diameter	7/8"	Lumen output	3.5 lm

*Measurements taken at 12V

#470021
