

Umbra

1" Courtesy with Push-in Feature

- Water tight - excellent for wet/damp locations
- Long life span - 50,000+ hours
- No fasteners required for easy installation
- Ideal for Marine applications or accent lighting
- Low amp draw
- Available colors: blue and white
- Low profile
- Operating voltage - 12V
- Available with grommet

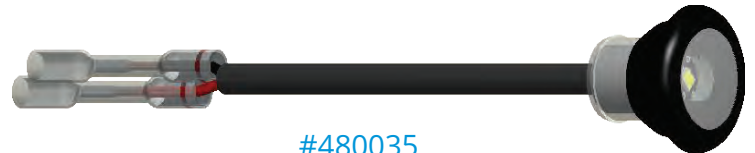

Product Details:			
Diameter	1 3/16"	CCT	White (5700K) / blue
Depth	7/8"	IP rating	IP66
Number of leds	1 (3528)	Wire size	18 AWG
*Current draw	23mA	Operating Voltage	10.8 - 13.8V
Cutout diameter	.825"	Lumen output	7.4 lm

*Measurements taken at 12V

#480034
without grommet
